**Day Camps and Away Camps**  
**\$10/WK \* AGES 6-18**

Beginning June 5, Restore Life in Grove Park offers a variety of camps for youth ages 7-18. Some camps are day camps that go from 9-4 pm and other camps are week long away camps that go from Monday through Friday. Camps include activities like horseback riding, archery, swimming, ropes courses, campfire, singing, and various sports. We ask for a \$10 contribution per child/camp to help offset costs of the day camps, and a \$100 for the week long overnight camps, but scholarships are available if needed.
